

25X1 2. Stanley Smigel, Chief CIA Liaison Branch of the State Department intelligence area, has written AD/OCR stating that they have been informed that CIA has been debriefing each member of Congress upon his return from the USSR, and the Department's Eastern European Office is interested in securing copies of such debriefings as well as the debriefings of Congressional visitors to Eastern European countries. [redacted] requests guidance for a reply to State. 24 Oct. 55

October 20, 1955.

TO : Assistant Director, OCR  
Central Intelligence Agency

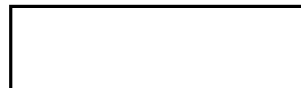

ATTENTION:

REFERENCE: Telephone conversation of this date with

This office has been informed that CIA has been debriefing each member of Congress upon his return from the USSR. The Department's Eastern European Office is interested in securing copies of such debriefing, as well as such debriefings that have been made of Congressional visitors to other countries in Eastern Europe. Copies of these debriefings are, therefore, requested.

An early reply to this request will be appreciated.

Stanley E. Smigel,  
Chief, CIA Liaison Branch,  
Division of Acquisition and Distribution.
